“**Many** coders use version control systems like Git to track changes in their code.”

“In our profession, there isn't **much** room for error; precision in code is paramount”

“**A lot of** code reviews take place to ensure code quality.”

A FEW, A LITTLE and A BIT (OF)

To talk about small quantities we can use ‘a few’ and ‘a little’. We use ‘a few’ with countable nouns and ‘a little’ with uncountable nouns. It’s also possible to use ‘a bit’ with uncountable nouns, but it is more informal.

A FEW + COUNTABLE	A LITTLE/ A BIT OF + UNCOUNTABLE
