Dev: Hey boss, I've been exploring different tools for our project management and collaboration. I've been using \_\_\_\_\_<sup>1</sup> Google Workspace for document sharing and real-time collaboration.

Lead: That's great to hear! Google Workspace is quite versatile. Have you found \_\_\_\_\_<sup>2</sup> resistance from the team in adopting it?

Dev: Not really, actually. \_\_\_\_\_<sup>3</sup> team members were initially unfamiliar with it, but they adapted quickly. Now, we use it for \_\_\_\_\_ our document collaboration.

Lead: Excellent! And what about version control for our code? Are you using GitHub?

Dev: Yes, we're using GitHub for our version control. It's been very useful, especially when we need to manage multiple branches. We haven't encountered \_\_\_\_\_ issues so far.

Lead: That's good news. How about task management? Are you using Trello?

Dev: Yes, we've integrated Trello into our workflow. It helps us manage our tasks effectively. We allocate \_\_\_\_\_ time each day to update our boards and track progress.

Lead: That sounds efficient. What about communication within the team?

Dev: For team communication, we rely on Microsoft Teams. It's been a central platform for meetings, discussions, and file sharing. We spend \_\_\_\_\_ time in virtual meetings to ensure everyone is on the same page.

Lead: I'm glad to hear that these tools are working well for us. Keep up the good work, and if you encounter \_\_\_\_\_ challenges, don't hesitate to reach out.

Dev: Thanks, boss! We'll continue to use these tools to enhance our productivity.
